Client Wine Appraisals Performed:

Contested Assets (Marriage Dissolution)	Probate, Trusts, Wills & Estates
Charitable Contribution Tax Deductions	Insurance Claims

Contemporary Assets Performed:

I possess tremendous experience in the appraisal of wine and spirits, winery equipment, distillery equipment, brewery equipment, residential contents, and also business assets when required by my clients.

Additional Services Performed:

Cause & Origin Investigations	Evaluation of Scope of Damage
Complete Inventory Services	Evaluation of Cost of Repair
Expert Witness Services	Auction & Liquidation Services

Appraisal Reviews: *The written review and appraisal of other appraiser's flawed appraisal reports. My appraisal reviews will examine the appraiser's qualifications and confirm or deny the appraiser's following accepted appraisal theory, practices, and established federal guidelines (USPAP). Missing information gaps are filled in.*

Expert Witness Experience:

I provide expert witness court testimony on matters related to professional valuation, assets appraisal, spirits and wine appraisals, and also the auction, wine, and insurance professions. I objectively present the facts to both state and federal courts. I am a *Daubert* (Rule 702) qualified expert.
